PROFESSIONAL SUMMARY

Front-End Developer and 3D Designer with proven experience building responsive web applications using React.js, JavaScript (ES6+), and Blender. Skilled in translating Figma designs into production-ready interfaces with smooth animations, 3D interactions, and strong cross-browser compatibility. Meta-certified (Coursera, 2025) with real-world internship experience and a portfolio of deployed projects.

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript (ES6+)

Frameworks & Libraries: React.js, Three.js, GSAP

Styling & UI: Tailwind CSS, Sass, CSS Animations, Responsive Design, Cross-Browser Compatibility

Tools & Technologies: Git, GitHub, VS Code, Figma, Canva, Prettier, GitHub Copilot, Chrome DevTools

3D Design: Blender, Three.js, GSAP, 3D Modelling, Animation, WebGL

Core Competencies: UI/UX Implementation, Performance Optimisation, Component-Based Architecture, REST API Integration, State Management, Accessibility

Productivity & Collaboration Tools: Microsoft Office Suite, Google Workspace, Slack, Trello, Notion

Soft Skills: Problem-solving, Attention to Detail, Creativity, Communication, Adaptability

WORK EXPERIENCE

Front-End Developer Intern | [Quonote Enterprise](#)

Jan 2026 – Present

- Built reusable React.js UI components in collaboration with developers and designers, reducing code duplication
- Developed responsive interfaces aligned with business requirements, improving usability across screen sizes
- Participated in code reviews, debugging UI issues with Chrome DevTools to improve performance and quality
- Assisted in REST API integration to deliver dynamic, data-driven user interactions

Front-End Developer | [Personal Projects \(Self-Initiated\)](#)

2025 – Present

- Built and deployed 3+ web applications using React.js and JavaScript, from Figma design to production
- Implemented 3D experiences with Three.js and Blender, and smooth UI animations with GSAP
- Maintained focus on performance, accessibility, and clean component architecture across all projects

PROJECTS

Luxury Lipstick Brand Website (Luxelip) — luxelip.netlify.app/

- Built a responsive luxury cosmetic frontend with GSAP scroll animations and elegant UI micro-interactions
- Tech Stack: React.js, Tailwind CSS, GSAP

Jigsaw 3D Animation Login Page — jigsawauthe.netlify.app/

- Engineered an immersive WebGL-powered login interface with jigsaw-style 3D animation effects using Three.js
- Tech Stack: HTML5, CSS3, JavaScript, Three.js

Routine Reminder App — routinereminderapp.netlify.app/

- Developed a productivity app with dynamic task-scheduling and a clean, accessible interface

- Tech Stack: React.js, JavaScript, CSS3

Perfume Brand Website

- Designed a visually rich, responsive brand website with smooth interactive UI patterns
- Tech Stack: HTML5, CSS3, JavaScript

CERTIFICATIONS & TRAINING

Meta Front-End Developer Professional Certificate — Coursera

2025

React.js, JavaScript (ES6+), HTML5, CSS3, Git/GitHub, component architecture, state management, debugging.

Frontend Development Training (Self-Paced)

2024 – 2025

Built projects with React.js, Three.js, HTML5, CSS3, and JavaScript. Hands-on practice with GSAP animations and UI/UX design via Figma and Canva.

EDUCATION

B.Sc. Educational Management

2022 – 2025

Lagos State University, Lagos, Nigeria
